

Little Muslim Youth Club and Library

Project made possible by the generous donation of Mr. Khalid Ansari

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Yesterday, by the grace of Allah, we brought the Refugee Youth Arts and Crafts Program to life in an apartment in Duquesne Place. We were able to decorate this apartment with adorable furniture and colorful ornaments, appropriate for kids. The goal of this program is to create a safe, welcoming environment for displaced children to express themselves, as well as cultivate a sense of community among the attendees and the older students. With that, we hope that the children who will be participating in this program will enjoy the space that our community has made for them!!
